Re: Robert Johnson v. City of New York
 07 cv 4526

Dear Judge Scheindlin:

We represent the plaintiff in the above case and this letter is a request for an adjournment of the initial conference scheduled for tomorrow.

On June 18th we received electronic notice of the conference. I marked it in my calendar and forwarded to our office manager to notify the city of the conference. I learned today that the City was apparently not notified. We called corporation counsel and were advised that Joyce Campbell Priveterre is assigned to the case. I know Ms. Priveterre from another case we recently settled. I called and left a message on her voice mail but she was not in the office.

Because of our failure to notify the City and in addition because we have not received an Answer from the City yet, I am requesting an adjournment of the initial conference to August 16th or a date convenient with the court.

Thank you for your courtesy.

Very truly yours,

 Michael B. Ronemus
